LED COB headlamp 3W, 170lm, 3 x AAA, movable light head

Marka: **Virone** | Symbol: **LT-2** | Ean: **5908254815829**

PRODUCT DESCRIPTION

This headlamp can be mounted directly on the forehead or on the helmet. It has got special straps that ensure fixed position of the lamp on the head and allow comfortable adjustment of its length, to best meet individual needs of each user. Light beam angle can be adjusted (within 90°) and there are 3 lighting modes (100%, 50%, flashing). Rubber finish. Light source: 1 × 3W COB LED. Powered with 3 x AAA batteries (not included).
