Connecting cable	○	○	○	○	○	○

O: Indicates that the content of this toxic and hazardous substance in all homogeneous materials of this part is limited by the limit specified in SJ/T 1163-2006 "Limited Requirements for Toxic and Hazardous Substances in Electronic Information Products";

X: Indicates that the content of the toxic and hazardous substance at least in a certain homogeneous material clock exceeds the limit requirement specified in the SJ/T 1163-2006 standard.

The figures in this label indicate that the product has an environmental protection use period of 10 years under normal use conditions, and some parts may also have an environmentally friendly use period mark. The environmental protection use period is based on the number in the mark.

Parameter

Product name	WiFi-RF Gateway
Product number	AC520-02
Wireless frequency	433.0~434.8MHz
Modulation	ASK(OOK),FSK(GFSK)
Transmit power	Max 20dbm
Transmission rate	2k~250Kbps

- Currently supported third-party controls: (Continuous update)

WiFi-RF Gateway

Instruction Manual and Warranty Card

Tuya Smart Life

Product introduction

Users can design and implement intelligent application scenarios of ordinary appliances in the home by adding Wi-Fi intelligent remote control.

Preparation for connecting

1. Make the device connect with power source and ensure the phone connect with 2.4GHz Wifi band;
