

APS-15/30

Satel®

High capacity,
automatic voltage regulation
and absolute reliability
are the assets
of APS-30 and APS-15
switching mode
power supplies.

APS-30

APS-30 Power supply

- versatile power supply
 - intruder alarm systems
 - CCTV
- switching mode power supply
 - 3A total capacity
 - short-circuit protection
 - battery condition testing
 - deep discharge battery protection
 - thermal loss minimization
- 2 open collector outputs for interfacing with alarm control panel
- power supply and battery status LED signalization
- compatible with 17Ah battery

APS-15

APS-15 Power supply

- versatile power supply
 - intruder alarm systems
 - CCTV
- switching mode power supply
 - 1,5A total capacity
 - short-circuit protection
 - battery condition testing
 - deep discharge battery protection
 - thermal loss minimization
- 2 open collector outputs for interfacing with alarm control panel
- power supply and battery status LED signalization
- compatible with 7Ah battery

APS-15/30
